Tuition payments will be automatically deducted from either your credit/debit card accounts or a bank account. Automatic payments will be charged either monthly, bi-weekly, or weekly. There will be an automatic \$50 fee for late payments. ***Due to the high cost of building and insurance expenses, there may be a yearly increase in tuition.***

#### Late Arrival Fees

Fees for late pick up on or after 5:30 pm are due upon arrival and must be paid in cash to the teacher required to stay overtime. We take these fees very seriously and collect them without exception. The fees are assessed as follows: \$5.00 for the first five minutes and \$2.00 for every additional minute. **A failure to pay in cash will result in the charge being applied to the Brightwheel payment platform, plus 5% to cover processing charges and banking wire fees.**
